Dear Colleague,

Conflict Dynamics is kicking off the New Year with our first external edition of the Peace Pulse. This monthly digest seeks to inform readers about recent debates and scholarship at the intersection of governance and peacebuilding, as well as research relating to Conflict Dynamics’ peacebuilding contexts (Somalia, Somaliland, South Sudan, Sudan, and Syria). The purpose of the digest is to give a quick snapshot of the spectrum of subjects that have been debated or written about in recent months. Therefore, please note, Conflict Dynamics does not necessarily endorse the content, nor can we guarantee the quality of the articles.

We are excited about this digest, and we would like to share this publication with you. If you are interested in receiving this digest on a recurring basis, please subscribe, and we will add your email to our mailing list. Please note that this is a one-time message, and that to continue receiving the Peace Pulse, you must subscribe.

We also encourage you to follow us on Facebook, Twitter, LinkedIn, and Google+.
